Syracuse University General Application Instructions

WHO SHOULD USE THIS APPLICATION

Individuals interested in applying to graduate programs offered at Syracuse University should use this application form. **(Exception: Students currently enrolled in graduate programs at Syracuse University should *not* use this application.** They should contact their departments to obtain **Internal Application for Graduate Study** forms and instructions.)

We strongly encourage you to examine the web site of the program in which you are interested to learn as much as possible about the program before you apply. The web site for each graduate program offered at Syracuse can be viewed at the following web address: gradsch.syr.edu/programs.htm

An applicant wishing to apply to more than one program must file a **separate** application and application fee for each program.

Online applications are processed faster and more efficiently than those filed on paper, and are therefore the preferred method of application for graduate study at Syracuse University. To apply online, please visit the following web address: apply.embark.com/grad/Syracuse

POST-SECONDARY EDUCATION REQUIREMENTS

An applicant to a graduate program at Syracuse University must provide official documentation of having earned at least a U.S. bachelor's degree or its equivalent from another country before enrolling at Syracuse. Some programs require a master's degree and in such cases this must be officially documented before enrollment as well (often a minimum of three years of study beyond the B.S. degree is required for students pursuing a doctoral degree). International applicants must have graduated from colleges or universities that are recognized by the national educational authorities of their home countries. The following are some specific guidelines for equivalents to the U.S. bachelor's degree:

Canada: a three-year bachelor's degree from Quebec or a four-year bachelor's degree from the other provinces.

Latin America: a university degree requiring four years of study.

United Kingdom and countries following the British pattern: a bachelor's degree with honors.

France and countries following the French pattern: a *licence*, if earned under the terms of the Bologna Declaration, otherwise a degree or diploma requiring four years of study after the baccalaureate, usually the *Maitrise*.

Germany: a *Bakkalaureus degree*, if earned under the terms of the Bologna Declaration, otherwise completion of the diploma.

Other European countries: a university degree requiring a minimum of three years of study, if earned under the terms of the Bologna Declaration, otherwise a university degree requiring a minimum of four years of study.

India, Pakistan, Bangladesh, and Nepal: a bachelor's degree in engineering or a master's degree in any other field.

Other Asian countries: a university degree requiring four years of study.

Syracuse University General Application Instructions

GENERAL REQUIRED MATERIALS

1) Graduate Application Form—The application form, including answers to all questions and all required materials, must be **mailed** to this address:

**Graduate Records Office
Syracuse University
330 Newhouse 2
215 University Place
Syracuse, NY 13244**

You will receive an e-mail or postcard from Syracuse University when your application has been received by Syracuse University.

2) Non-refundable Application Fee—The application fee is \$45. Applicants wishing to apply to more than one program must file a **separate** application and application fee for each program.

3) Academic Credentials—**ONE** copy of records of all previous postsecondary education is required. Contact the Registrar's Office of each higher educational institution that you attended and have one copy of your transcript(s) sent to Syracuse University. For your convenience, we have included a transcript request form that you can mail to your prior institutions to request your credentials. Do not send transcripts from secondary schools as part of this application, unless indicated on the **Program Requirements List**. All materials sent by mail should be addressed to the Enrollment Management Processing Center at the above mailing address. All offers of admission from Syracuse University are conditional, pending receipt of official academic credentials showing that a U.S. bachelor's degree (or equivalent) has been conferred upon the applicant. Failure to submit such degree-bearing credentials may result in revocation of an offer of admission or dismissal from a graduate program, if admission has been granted.

4) Letters of Recommendation—**Three** letters of recommendation are required, unless otherwise noted in the **Program Requirements List**. Confidential letters of recommendation should be sent to the Enrollment Management Processing Center in sealed envelopes on which the recommender has signed across the seal. If a confidential letter of recommendation is received in an envelope with a broken seal, it may disqualify the application. For your convenience, we have included recommendation forms that you may mail to your recommender(s). **Please do not ask your recommenders to send recommendations on paper if you have registered them through the online application site apply.embark.com/grad/Syracuse.**

5) Exam Scores—Exam requirements are noted on the **Program Requirements List**. Please be aware that exam scores are not generally available until four to six weeks after the exam is administered. It is the applicant's responsibility to ensure that exam scores reach Syracuse by any applicable deadlines. All scores for TOEFL, GRE, and GMAT are reported to a single location at Syracuse University. The institution code for Syracuse University is **2823**. It should be used when requesting the ETS (Educational Testing Service) to send your scores electronically to Syracuse University. It is not necessary to request that scores be reported to more than one department.

*** International applicants**—Applicants who are citizens of the following English-speaking countries are not required to submit TOEFL scores: Australia, Bahamas, Barbados, Canada, Fiji, Ireland, Jamaica, New Zealand, Trinidad and Tobago, and the United Kingdom.

Syracuse University General Application Instructions

6) Financial Documents— An international applicant, if admitted, will need Syracuse University to issue a visa eligibility document to obtain a student visa. You must show evidence of having secured sufficient funding for at least the first year of graduate study. **For a privately sponsored applicant,** acceptable evidence of such funding consists of a certified current bank statement on official bank letterhead, signed by an authorized bank official, indicating that sufficient funds exist to meet at least first-year expenses in U.S. dollars as per Syracuse University's current estimate. **A government-sponsored applicant** must submit an original award letter (or a certified copy of an award letter). The letter must state the annual amount of the award in U.S. dollars. All financial documents must be written in English and valid within one year of the start of the semester. **When sending documentation of adequate funding, photocopies of financial documents are acceptable, and you may fax them to 315-443-3423.** Be sure to write your name, date of birth, name of the program you are applying to, and your SUID number (if known) on all documents you send.

Please note that it is only possible to **estimate** the annual cost of attendance for graduate students because costs vary widely according to the number of credits taken as well as the lifestyle of the student. With this understanding, we refer you to the following web site containing cost of attendance information:
gradsch.syr.edu/costs.pdf

WHERE TO SEND SUPPLEMENTARY APPLICATION MATERIALS

The applicant is responsible for ensuring all application materials arrive at Syracuse University before applicable deadlines. An applicant interested in applying to more than one program must submit a complete application for each program. Transcripts, resume, letters of recommendation, personal statement of purpose, and other required materials should be sent to the following address:

**Graduate Records Office
Syracuse University
330 Newhouse 2
215 University Place
Syracuse, NY 13244**

If you are sending materials using a package delivery company, please use the address above.

Portfolios should be sent to the above address, unless a different address is indicated in the **Application Instructions Specific To Your School or College**. An applicant to a program that requires an interview should contact the program about setting up the interview.

NEED-BASED FINANCIAL AID

Need-based financial aid for graduate students who are U.S. citizens or permanent residents is administered by the Office of Financial Aid, Syracuse University, 200 Archbold, Syracuse NY 13244; 315-443-1513. Those interested in helping to finance their graduate studies with loans or work-study should file a **Free Application for Federal Student Aid (FAFSA)** as soon as possible after January 1. Applicants are advised not to wait for an admission decision before filing. For more information: financialaid.syr.edu/Graduate.htm

INTERNATIONAL APPLICANTS

Information reported on the SUIA form will be used for Student and Exchange Visitor Information System (SEVIS) purposes for you and any dependents that will accompany you while you are engaged in your studies. Please be advised that any inconsistency in the spelling of your name or inclusion of an invalid address may delay the processing of your application materials.
